---

### PROFESSIONAL OVERVIEW

*Mr. Ben Johnson graduated from Texas A&M University in May 2020 with a Bachelor of Science degree in chemical engineering. While at Texas A&M, Mr. Johnson was an active member of the university's American Institute of Chemical Engineers (AIChE) chapter and the Aggie Gentlemen of Integrity (AGI) which provided a strong foundation for technical leadership and strategic planning before starting his career with ALL4 as a Staff Engineer in the Louisville, KY office.*

*Prior to working at ALL4, Mr. Johnson undertook an internship where he installed and maintained industrial water treatment technologies. The internship gave Mr. Johnson engineering experience in the industrial water treatment technologies.*

*Since starting at ALL4, Mr. Johnson has worked on environmental permitting and compliance matters related to the following industries:*

- *Commercial and Institutional Utility operations*
- *Distilleries*
- *Plastic Extrusion and Molding*
- *Biodiesel Manufacturing*
- *Lamination*
- *Peaking Units & Emergency Stationary Engines*
- *Food and Beverage Manufacturing*
- *Portland Cement*

*Additionally, Mr. Johnson serves as the Indiana Lead for ALL4's State Programs Knowledge Area to keep ALL4, its clients, and its potential clients updated on changes in state environmental regulations.*
