### PROFESSIONAL OVERVIEW

Mrs. Kimberly (Kim) Lute is a Consulting Engineer with over 5 years of environmental consulting experience and 23 years of industrial experience in the environmental and maintenance departments. Kim was responsible for air quality program compliance at an integrated Kraft pulp and paper mill in Chillicothe, Ohio for 17 years. She tracked and managed ongoing compliance for a Title V and a Synthetic Minor facility. Kim was involved in periodic compliance reporting, air permit applications and renewals, communication with regulatory agencies, and Ohio EPA and US EPA inspection visits. She coordinated monitoring and testing programs, including Part 60 and Part 75 CEMS, COMS, CPMS, ambient air and meteorological station monitoring, RATAs and pollutant emissions testing, and CAIR/NO<sub>x</sub> SIP Rule reporting. Kim managed MACT compliance and reporting for Pulp & Paper MACT I & II, Coating MACT, RICE MACT, and Industrial Boiler MACT. She also completed annual emission fee reporting, SARA 311/312 Hazardous Chemical Inventory reporting, and management of the mill's Risk Management Program and Process Safety Management Program requirements.
