PROFESSIONAL OVERVIEW

Mr. Sahil Bharucha graduated from Virginia Polytechnic Institute and State University in May 2018 with a Bachelor of Science in Chemical Engineering. Mr. Bharucha's current role with ALL4 is a Project Engineer, providing project support in air quality permitting and compliance. Mr. Bharucha has assisted with Title V permit applications, construction permit applications, new/modified source permitting, and other State and Federal air permit programs. Mr. Bharucha's compliance experience includes Tier II reporting and annual/semiannual emissions reporting.

In his role at ALL4, Mr. Bharucha has served on a variety of project teams, gaining experience in several industries, such as chemical manufacturing facilities, healthcare centers, data centers, higher education institutes, ship building, and government facilities. Mr. Bharucha has experience working with clients across multiple states including California, Iowa, Maryland, Pennsylvania, South Carolina, Virginia, and Washington, D.C.
