PROFESSIONAL OVERVIEW

Olivia Pehanick graduated from Penn State University in December 2019 with a Bachelor of Science in Chemical Engineering and a minor in Environmental Engineering. Her experience includes slug load planning in compliance with the city of Mill hall. She has also drafted a series of work instructions related to wastewater operations and has created a chemical database for the numerous raw materials, products, and other chemicals for Croda's Mill Hall site in compliance with OSHA standards.

Olivia began her journey with All4 as a staff engineer in January, 2020.
