TECHNICAL EXPERTISE

- State and Federal air permit programs including Nonattainment NSR, PSD, Title V, construction permit applications, Emission Reduction Credit (ERC) applications.
- Annual/semiannual compliance and emissions reporting
- ✓ PSD Applicability Analyses
- ✓ Toxic Release Inventory (TRI) Reporting
- ✓ PADEP Exemption No. 38(a), (b), and (c) Compliance
- ✓ 40 CFR Part 60, Subparts 0000 and 0000a Compliance and Reporting
- Permitting the use of non-hazardous secondary materials as fuels
- ✓ U.S. EPA Reference Method 9 Visible Emissions Testing

- Continuous emissions monitoring system (CEMS) data reconciliation, system audits, and periodic reporting
- ✓ ESC StackVision and VIM CEMLink 6 Software
- ✓ Emissions Tracking and Reporting Tools
- Reasonably Available Control Technology (RACT)/Best Available Control Technology (BACT) analyses
- National Pollutant Discharge Elimination System (NPDES) permitting
- ✓ 40 CFR Part 98 Greenhouse Gas Emissions Reporting (Subparts A, C, Y, MM, and W)
- ✓ 40 CFR Part 63, Subpart ZZZZ Compliance and Reporting

PROFESSIONAL OVERVIEW

As a Managing Consultant, Christine Chinofsky has managed a number of air quality permit applications and compliance activities in Pennsylvania, Delaware, and other states such as: preparation of Title V Operating Permits (TVOP), Synthetic Minor Operating Permits (SMOP), emissions inventory development, construction permit applications, periodic compliance reporting, New Source Review (NSR) and Prevention of Significant Deterioration (PSD) permitting, Continuous Emission Monitoring Systems (CEMS) data reconciliation and reporting, and Toxic Release Inventories (TRI). Ms. Chinofsky has led several project teams dealing with industries such as petroleum refining, oil and gas upstream and midstream operations, pulp and paper mills, hospitals, government installations, pharmaceuticals, food manufacturing, hospital/medical/infectious waste incineration, sewage incineration, chemicals manufacturing, internal combustion engines (ICE), and glass manufacturing.
